

## Regular Drill in Campus

The students perform drill to keep themselves physically fit at any moment of time, particularly during rescue operation.

## Eminent Faculties

We provide training in a blend of theory and practical. The teachers of proven instructional abilities, professional from industries, State and Central Fire Services, Graduate Fire Engineers make our eminent faculties.

IFSE Haldia has taken a great effort to provide you the best possible syllabus in this field. The courses are specially tailor made to meet industrial needs. The students are helped out with details printed notes on each subject. In addition to this we have a reference library consisting of most relevant Manuals of Fire Fighting / Fire Engineering books, Journals and periodicals. There is also an Engineering lab to provide rich practical skills. The Institute is augmented with large ground for practical training where all modern Fire fighting equipments are installed for practical training. Visits to major industries and attachment to big organizations are the unique features of IFSE Haldia.

## Facilities

- o Spacious Land at a convenient location
- o Eminent Faculties from Institutes / Industries
- o Lodging & Boarding
- o Practical Lab with modern equipments
- o Rigorous Practical Training
- o Library enriched in Books / CD / Journals
- o Free Uniform / Safety Shoe
- o Free Wifi within the Campus
- o Free Spoken English
- o Free Computer Class
- o Industrial Visit
- o In-Plant Training
- o Placement Assistance
- o Scholarship for SC/ST/OBC/Poor students
- o Several performance based Awards
- o Course Fees payment by instalments

## Excellent Opportunities

IFSE Haldia has trained many Fire Fighters and Safety Personnel and all of them are absorbed in various Governments, Semi-Government organizations, Pvt & Corporate Sectors through campus interviews. It is also supplying work force to Indian Railways, Indian Navy, and several MNCs.

# INSTITUTE OF FIRE AND SAFETY ENGINEERING, HALDIA

Affiliated to West Bengal State Council of Technical, Vocational Education and Skill Development (WBSCTVESD)  
Technical Collaboration with Singhania University  
(UGC approved)

An ISO 9001: 2015 Certified Institute

### Head Office:

4th Floor, Sachi Tower, 73/2 Dr. J. R. Dhar Road,  
Near Indira Gandhi High School, Airport,  
Kolkata 700 052

### Campus:

Vill-Brajalalchak, Opp. BDO Office, Near Haldia Gate,  
NH-41, PO-Dakshinchak, Haldia- 721654,  
Purba Medinipur, West Bengal

Office: 03224-284548 / 7365889154

Mobile: 9832025548 / 9475440497

## Introduction

**The Institute of Fire and Safety Engineering (IFSE), Haldia** was established in 2016 by West Bengal Trust Act 1882. The Training Campus at Vill- Brajalalchak, PO-Dakshinchak, Opp. BDO Office, NH-41, Haldia 721654, Purba Medinipur, West Bengal, is about 10 km away from Haldia Railway Station and 150 km from Kolkata. It is well connected from Kolkata via NH - 6 / NH - 41, and there is frequent Govt (SBSTC) as well as Private bus services from Esplanade (Kolkata) and can be reached within 2:15 hr.

IFSE Haldia is affiliated to **West Bengal State Council of Technical, Vocational Education and Skill Development (WBSCTVESD)** for **Advance Diploma in Industrial Safety (ADIS)**. It also offers different certificate / diploma / degree courses in association with **National Institute of Fire and Safety Engineering (NIFSE)**, Nagpur and **Singhania University** (UGC Approved). The Institute is an architect for creation of Fire and Safety Engineering courses in India. It is very important and mandatory among people and industries about Fire and Safety awareness to minimize incidents, save lives and to increase economic value of our country.

## Program of Study

- 1. Certificate in Fire and Safety Engineering**  
Eligibility: 10th Pass      Duration: 6 months
- 2. Certificate in Fire and Safety Engineering**  
Eligibility: 10th Pass      Duration: 1 Year
- 3. Diploma in Fire and Safety Engineering**  
Eligibility: 10th Pass      Duration: 2 Years
- 4. Diploma in Fire and Safety Engineering**  
Eligibility: 12th Pass      Duration: 1 Year
- 5. Fire Officer**  
Eligibility: 12th Pass      Duration: 1 Year
- 6. Safety Officer**  
Eligibility: 12th Pass      Duration: 1 Year
- 7. Adv. Diploma in Industrial Safety**  
Eligibility: Any Graduate / Diploma      Duration: 1 Year
- 8. P.G. Diploma in Industrial Safety**  
Eligibility: Any Graduate / Diploma      Duration: 1 Year
- 9. Adv. Diploma in Fire and Industrial Safety**  
Eligibility: Any Graduate / Diploma      Duration: 1 Year
- 10. P.G. Diploma in Fire and Industrial Safety**  
Eligibility: Any Graduate / Diploma      Duration: 1 Year
- 11. B.Sc. in Fire and Industrial Safety**  
Eligibility: 12th Pass      Duration: 3 Years
- 12. M.Sc. in Fire Safety and Hazard Management**  
Eligibility: Any Graduate/Diploma      Duration: 2 Years

## Fire Fighting Methods

The courses at IFSE equip the students with Skills that lead to a full fledged career in fire engineering and every successful students armed with certificate a cogent passport to an enviable career.

The curriculum is designed to immediately introduced the Students to study in fire protection & prevention as a career. The curriculum is rigorous in the area of practical application throughout the program.

As with modern academic programs, practical application on latest equipments, technically designed film shows on fire prevention, safety & rescue are executed. Fire drills are essential parts of the educational process. Students will be exposed to the programs commonly used in the loss control industry & use of latest equipments, visit to various hazardous industries to gather their experience. It is an essential component of the fire protection & safety courses.
